Solicitor

COVID-19 Testing Still Available

"Testing remains a critical tool as we transition to the new phase of the COVID-19 Pandemic"

Blair County will have a drive-thru only COVID-19 Testing Site at the UPMC Building, 2612 Pleasant Valley Boulevard, Altoona, PA 16602. The Testing Site will be open Monday-Friday starting April 18th thru September 9th, 2022 from 9 a.m. - 6 p.m.

Mid-nasal passage swab PCR tests will be performed. Testing is on a first-come, first-serve basis and is completely free. Testing is also open to individuals who are not county residents. Patients must be age three and older and are not required to show symptoms of COVID-19 in order to be tested. No appointment is necessary. Patients are encouraged to bring a photo-ID. Please follow the instructions that are provided to you at the time of testing.

Due to high numbers of people being tested on a national level, there have been delays everywhere with receiving results. Please be patient while waiting for test results. Check your email account if you provided an email address. (Make sure to check your SPAM folder.) Answer phone calls if waiting for test results.

If you have any questions, please direct them to the AMI Call Center at 1-844-522-5952. You can leave a phone number to be called back if you have not yet received results. If you have any additional questions, you can call the Department of Emergency Services at 814-940-5900.

Please Note The Testing Site will be closed on May 30th, 2022 and July 4th, 2022.
