

SEPTEMBER 2019

We will hold our **Upset Sale this month, on September 25, 2019** in the basement of the courthouse. Please see the Conditions of this sale under the Upset Sale tab on our website as these properties are NOT sold free and clear.

The properties that do not sell at the Upset Sale will go to the sale in June (Judicial). *There will be a \$300.00 fee added to all the properties for title searches to be done on these properties*

Once a property is placed in Judicial Sale status, the only way to stop the sale of the property is to pay the balance of all back taxes in full by Certified Check, Cash or Money Order.

Legal Holidays that the Courthouse will be closed this month:
