

VICTIM IMPACT STATEMENT

As the victim of a crime you have the right to offer a statement to the judge prior to the sentencing of the defendant. This form is provided to you for this purpose. Please address the impact that this crime has had on you and your family, but do not describe details of the crime itself. By law, a copy of this form must be given to defense counsel, if requested, prior to trial and it is thereby possible that the defendant will see it. Please be advised that inappropriate language may prevent your victim impact statement from being heard. If you wish to present your victim impact statement orally at sentencing, please call our office to let us know.

Please submit this statement within 10 days of receipt. You can mail the form to the Victim/Witness Department at 423 Allegheny Street, Hollidaysburg, PA 16648 or email it to awalter@blairco.org. If you have additional questions or need assistance, please call the Victim/Witness Office at 814-693-3010. The completion of this statement is voluntary.
