PAVING NOTICE--UPDATE

Here is an update for our work on Leaf Lane, some rain through the week has us slightly behind. However, the road will be opened after noon time on Friday, and you are now able to use the road and access your driveway. Please be careful, as the topcoat has not been placed, and there is a lip on the curbline, that could damage low clearance vehicles. Weather permitting, the finish coat will take place as follows:

Mon 5/1 Place Finish Coat 6:45 am until 5 PM.

Please make arrangements to get out of your driveway Monday by 6:45 am. We should be totally complete at the end of the day Monday.

Thank you for your patience this week, and compliance with all the inconvenience.
