

Hollidaysburg Historic Preservation Commission Contractor Resource List*

This list of contractors is provided for the public's convenience by the Hollidaysburg Historic Preservation Commission (HPC). Inclusion in this list does not constitute endorsement by the HPC, nor does it guarantee that any work carried out by persons on this list will be recommended for approval by the Hollidaysburg Historic Architectural Review Board. Before engaging the services of any contractor it is always advisable to receive at least three bids, and contact references named by the contractor, particularly those people for whom a contractor has worked. Inquiring about the nature of the project and the quality and timeliness of the work performed may provide an indication of a contractor's ability of successfully completing your project.

Ethan Imhoff is the Borough staff liaison to the Historic Preservation Commission and Historical Architectural Review Board. Mr. Imhoff may be reached directly at (814) 695-3880.
