**Re: Authorities Meeting Cancellations**

---

Please be advised that the Blair County Industrial Development Authority (BCIDA) and the Blair County General Authority (BCGA) scheduled for Monday September 15, 2025, in the ABCD Corporation's Board Room, will not be held as there is nothing to bring before the members at this time.

The next Authority meetings are tentatively scheduled for Monday, October 20, 2025. Meeting notices will be sent prior to that date.
